Hi patriots, @codeofvets has done a great job helping vets! Every day there r vets who r in difficulties need ppl to help them out of the situation. Please pay attention to every piece of her help information, and provide help as much as possible. ❤️🙏🇺🇸

🇺🇸 Code of Vets™🇺🇸 @codeofvets · Nov 24

We have a serious suicide crisis in our active duty and veteran community. Please do your buddy checks every night this holiday week. Emotions are running high. God help us.🙏

Re: WOULD YOU CONSIDER DOING A ZOOM?

Cindy Walter To You Nov 19

Dr Cindy.. I'm saddened to my heart. 2 people in our squadron committed suicide, and 2 airmen in the dorms attempted suicide. I had lunch with the commander today, and we discuss the matter. Our ops chief discussed the matter at commanders call yesterday. All I could think about was you and Gretchen paying us a visit and speak to the Airmen. What do you think?

This is from Gregory :

Cynthia L. Walter

 You really think you're gonna turn the Texas blue? Look buddy, the democrats are gonna get a spanking in 22. Do you even realize how corrupt the party is? I'm not saying this to start anything. The build back better socialist spending orgy is gonna ruin this country. The plan

One World cashless Currency
One World Central Bank
One World Military
The end of national sovereignty
The end of ALL privately owned property
The end of the family unit
Depopulation, control of population growth and population density
Mandatory multiple vaccines
Universal basic income (austerity)
Microchipped society for purchasing, travel, tracking and controlling
Implementation of a world Social Credit System (like China has)
Trillions of appliances hooked into the 5G monitoring system (Internet of Things)
Government raised children
Government owned and controlled schools, Colleges, Universities
The end of private transportation, owning cars, etc.
All businesses owned by government/corporations
The restriction of nonessential air travel
Human beings concentrated into human settlement zones, cities
The end of irrigation
The end of private farms and grazing livestock
The end of single family homes
Restricted land use that serves human needs
The ban of natural non synthetic drugs and naturopathic medicine
The end of fossil fuels

The Swamp hates the truth and will lie and fight to the end. At this point they don't care. They've been exposed and exposed themselves. May they ALL be circling the drain soon. Every last one of them!

starting with Jill all the way out to the edge of his circle. That such a fragile demented guy is POTUS is the tip of the iceberg of a much bigger more sinister scheme.

A screenshot of a YouTube video player. The video shows a man in a dark suit and red tie standing next to a woman with blonde hair. They are in a room with a Christmas tree in the background. A large blue play button is overlaid on the video. Below the video, the text "2:17 5.5K views" is visible. At the bottom, there are icons for comments (1), shares (13), likes (14), and a share icon.

It's speculated that Democrats hope to tap into left over Obama bucks to bribe voters to vote for them in the 2022 midterms & RINOs are so dumb they might let them

👉 "Why have there been no major marches on these MSM Headquarters to show them who the majority really is, ...other than them being in New York City and Atlanta?

When do the American people rise, march peacefully, and tell them, 'Enough with the Fake News!'. "

Brainwashing By The Media
